We are still in the season of Easter and as we reflect on the Risen Christ, I want you to really focus on all that we have to be in awe of. Our God is an awesome God and as Easter People, we need to leave our negative thoughts, our selfishness, our judgments, and our giving priority to worldly goods behind. It is very easy to get dragged down by all these things, but when we focus on the many blessings in our lives, we automatically turn away from all that is negative and sinful. The institution of the Holy Eucharist is a miracle that happens at every Holy Mass. We have been given this amazing gift and need to live our lives in the wonder and awe of God's generosity.

My challenge for you is to find something each day that inspires you and shows you the all encompassing love of God. Maybe you choose to journal these moments. Maybe you choose to spend time contemplating these moments in the presence of Jesus in Adoration. Maybe you offer a Holy Mass in thanksgiving. Or maybe you share your moment with someone you love. Each of us is unique and God speaks to each of us differently. Find a way that is comfortable for you to listen to what God wants to share with you.

Happy Easter! May the love and protection of our Father surround you and your family.

—Father Thuy

Now he who keeps His commandments abides in Him, and He in him. And by this we know that He abides in us, by the Spirit whom He has given us.
