ALL MINISTERS

The Ministry Schedule is being made up for April/May/June. If there are any days you will be away please notify Lorraine so she does not schedule you on those days. Thank you for your cooperation!

For this year's Share Lent, Development and Peace is encouraging us to come together for peace! You will find inspiring testimonials in the Mini-magazine. During this first week, our search for peace takes us to Cambodia to meet ICSO, a Development and Peace partner that works with minority Indigenous communities to help them have their rights recognized by the government, defend their land against corporate interests, and develop sustainable economic activities that enable them to live with dignity.
