Parish Pastoral Council Highlights

- We are so excited to have finalized our new Parish Mission Statement and will be unveiling & sharing in the upcoming months with our entire Parish community! Our mission statement, values, and vision will not only be a representation of who we are at SJB, it will serve as a guide to our members/leaders in decision-making and be a constant reminder of how we demonstrate our Catholic discipleship along our Faith journeys!
- The next step of our forward planning is to create a vision or priorities for our Parish as the next step after creating our Mission Statement.
- Four members of our Council recently participated in an Archdiocesan Workshop held in Moose Jaw- Companions on the Journey was very interesting and we will share our new knowledge with our council members. Our council plans on attending more pastoral professional development in the upcoming months and years to grow in our faith and deepen our pastoral knowledge to lead our parish in the best possible manner.
