“The stone which the builders rejected has become the cornerstone.” 1 Peter 2:7
Everyone is given unique gifts. Many people are able to recognize their talents and abilities, but there are many people who are unsure of their gifts. This may make them feel worthless. If you know someone who is struggling for a direction in life, give them a little encouragement. Help them discern how they might use their skills. No gift is too small or insignificant.

Catholic Education Week May 21 - 27, 2017 – And You Will See Me

We, gathered together in our Catholic schools, see the gift of God’s love and grace in every person we are blessed to share in the mission of education with. We celebrate our opportunity to find God in our thoughts, prayers and actions.

There are four sub-themes, one for each school day of Catholic Education Week, aimed at helping students and staff to reflect more fully on what it means to see Our Lord Jesus.

The four sub-themes are:

And You Will See Me ... *In Creation*
And You Will See Me ... *In Each Other*
And You Will See Me ... *In Our School*
And You Will See Me ... *In the Church*

We begin the week by celebrating in mass with our priests and then enjoying the Victoria Day Holiday. Catholic Education Week is marked by special activities at all grade levels, including prayer celebrations and activities. We invite you to visit our school(s) during this special week and to participate in any of our activities as we celebrate Catholic Education Week 2017.
